

Keep It Safe Challenge

In groups of 2-3

Look at the images on each card. Match an picture on one card with the best method of protecting that item.

CHALLENGE 1:

Match the YELLOW card with the BLUE card that best fits it.

CHALLENGE 2:

Turn each card upside down and shuffle them well.

Spread the cards out on the table neatly. **DO NOT LOOK AT THE PICTURES!**

ONE PERSON AT A TIME:

1. Turn one card over.
2. Next, turn another card over. If the two cards go together, leave them turned over and the player gets a point.
3. Continue with the next player.
4. If the cards do not go together, turn them back over and continue with the next player.
5. The player with the most points at the end wins.
