

AMAZON/CYBER.ORG PROJECT REACH SCHOLARSHIP PROGRAM APPLICATION CHECKLIST

Use the checklist below to guide you through the application process.

1	Check out the eligibility criteria in section 2 of the Terms & Conditions to make sure you're eligible.
2	Download a copy of the Application Preview & Worksheet and look through it to get a sense of what is required on the application.
3	Complete questions 1 through 6 on the Application Preview & Worksheet, which confirm your eligibility for the scholarship. (Note: If your truthful and accurate response to any of these 6 questions is written with bold, orange text , then you are <i>not</i> eligible for the scholarship.)
4	Contact a teacher to request a letter of recommendation . (See details at the bottom of page 3 of the Application Preview & Worksheet. Then, complete question 7 when you have contacted a teacher who agrees to provide a letter for you.)
5	Contact your school to get a copy of your transcript . Please get a transcript for any high school you have attended and any college coursework you may have taken.
6	Complete questions 8 through 13 on the Application Preview & Worksheet, which deal with your contact information and your GPA .
7	Update or create your resume.
8	Write your 3 essays. (See details on page 5 of the Application Preview & Worksheet, including formatting requirements for the essays and the prompts for each.)
9	Make sure your transcript(s), resume, and three (3) essays are saved as PDF files and named using the format requested at the top of page 6 of the Application Preview & Worksheet.
10	Review the Application Preview & Worksheet to make sure you have everything to submit your application .
11	Complete the online application using your completed Application Preview & Worksheet as a reference!
12	Stay tuned to your email inbox for award notifications in May!
